PROFESSIONAL EXPERIENCE

Brand Marketing Fellow (Full-Time) | **Los Angeles Dodgers (MLB)** | Los Angeles, CA *Mar 2025 – Nov 2025*

- Campaign Coordination & Asset Management: Coordinated brand marketing deliverables across radio, OOH, in-stadium, and social channels — managing asset timelines, copy briefings, and vendor communications across 8+ concurrent workstreams during a full regular season and World Series postseason run with zero critical failures
- Influencer Marketing Execution: Architected and executed the 2025 Influencer Marketing Campaign end-to-end — curating 17 creators across lifestyle, sports, and entertainment verticals, delivering 102 posts, 9M+ impressions, 370K+ engagements, and $770K earned media value against a $20K budget (38.5x ROAS)
- Ticket Sales & Digital Campaigns: Supported email marketing and digital ad campaigns across Meta/Instagram and programmatic channels to drive single-game and group ticket conversions; coordinated in-stadium activations that contributed to sellout attendances
- Paid Media & OOH: Owned two paid advertising accounts directing OOH billboard placements along the Sunset Blvd/Vin Scully corridor and in-stadium home-plate promotional inventory — overseeing creative execution, placement strategy, and campaign timing
- Brand Guidelines & Reporting: Built and led performance reporting for organic marketing tactics synthesizing influencer KPIs, engagement benchmarks, and content performance data — earned Best Overall Presentation in the 2025 Dodgers Fellowship cohort of 20+ fellows
- Executive Stakeholder Communication: Presented campaign performance reports and strategic recommendations directly to the Sr. VP of Marketing & Communications and Sr. Director of Brand Marketing, translating complex data into executive-level narratives that informed future budgets

Marketing Intern (Full-Time) | **Seattle Kraken (NHL)** | Seattle, WA *Aug 2023 – Jun 2024*

- Fan Acquisition & Ticket Sales Support: Supported account and paid media planning across digital channels, analyzing campaign performance and surfacing insights that contributed to a 10–15% lift in fan acquisition and a measurable uptick in ticket sales
- Salesforce CRM & Data Analysis: Partnered with ticket sales teams to leverage Salesforce STM conversion data from 50K+ fan records, translating customer insights into targeted asset and offer recommendations for the 2024 NHL Winter Classic and university campaigns across UW, WSU, and SeattleU — driving thousands of incremental impressions
- Brand Activations & Partner Engagement: Assisted in managing the Pepsi 'Long Shot Contest' (valued at $1.5M), supporting grassroots activations at Climate Pledge Arena that reached tens of thousands of fans and increased partner on-site engagement by ~10%
- Partner Relationship Management: Supported 50+ territorial sports organization partner relationships alongside sales and partnership teams, helping maintain high renewal rates and ongoing group sales and sponsorship opportunities
- Client & Guest Services: Provided high-touch service hosting 30+ youth hockey teams, talent, and senior leaders at Climate Pledge Arena, contributing to positive post-event feedback scores and deepening key partner relationships

Club Officer: Marketing Coordinator (Part-Time) | **University of Washington Athletics** | Seattle, WA *Jan 2021 – Jun 2023*

- Marketing Strategy & Content: Served as strategic marketing partner for UW Men's Ice Hockey Club — translating growth objectives into channel strategies and content roadmaps that drove 300%+ audience reach growth across social media, email campaigns, and promotional materials
- E-Commerce & Performance Analytics: Managed e-commerce and ticketing funnel performance using Klaviyo and Google Analytics — executing A/B tests, optimizing conversion flows, and producing campaign reports that informed budget and channel allocation decisions
- Go-to-Market Coordination: Coordinated and delivered go-live readiness across ticketing, social, and email channels — managing asset briefings, distribution timelines, and cross-functional alignment for each campaign launch
- Customer Service Operations: Received, coordinated, and resolved customer service requests using Zendesk, Twilio

EDUCATION

Bachelor of Arts, Economics & Political Economy Minor, Business Admin University of Washington, Seattle Campus
